

Reporting a Concern - Click CEOP

CEOP helps any child or young person under the age of 18 who is being pressured, forced or tricked into taking part in sexual activity of any kind. This can be something that has taken place either online or in 'the real world', or both. The CEOP Safety Centre has clear information and advice on what can be reported to CEOP, the reporting process and what will happen if you do decide to make a report. You can visit the CEOP Safety Centre and make a report directly to CEOP by clicking the Click CEOP button below.

If you are experiencing online bullying or something else online has worried you, please speak to an adult you trust, or you can talk to Childline at any time on **0800 1111** or visit **www.childline.org.uk**.

What Is Operation Encompass?

Operation Encompass has been designed to provide early reporting to schools and colleges of any domestic abuse incidents that occur in which a child was present, ordinarily resides at the incident location or with an involved party. We know that children can be significantly affected through witnessing or being exposed to domestic abuse and this operation will allow us to better support our pupils and their families.

A nominated member of staff, known as a Key Adult, will be liaise with the police. At Hamsey Community Primary School that adult is Matt Dean – Head of School & Designated Safeguarding Lead, to ensure that the right support is available should it be required by a child and/ or their family.

If you have any concerns or questions, then please contact the School Office on 01273 400 370.
