## Public Sector Equality Duty

### Public Sector Equality Duty

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- Eliminate unlawful discrimination, harassment, victimization and any other conduct prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations between people who share a protected characteristic and people who do not share it

Our Skylark Federation vision is based on this premise. We believe that the Equality Act provides a framework to support our commitment to value diversity, tackle race discrimination, promote equality and foster good relationships between people. We are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers, irrespective of race, gender, disability, belief, religion or socio-economic background.

It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups.

Our approach to equality is based on the following key principles:

1. All learners are valued equally
2. We recognize and respect difference
3. We foster positive attitudes and relationships, and a shared sense of cohesion and belonging
4. We observe good equalities practice in staff recruitment, retention and development
5. We aim to reduce and remove inequalities and barriers that already exist
6. We have the highest expectations of all of our children

All aims of duty	All protected characteristics	To promote and develop understanding and awareness of unconscious bias.	For staff and, subsequently, pupils to understand unconscious bias-and how to avoid it. Unconscious (sometimes called implicit bias) can apply to race, personality, accent, religion, gender, education, appearance, and fashion sense.	Staff to develop their understanding of unconscious bias in order that they can understand the following: confirmation bias; expectation bias; affinity bias; conformity bias; halo/horns effect; cognitive dissonance.	Training for all staff (INSET) on unconscious bias. Agreed actions emanating from the training to be undertaken (reviewing displays, constitution of School Council, seating arrangements in classrooms, and organisation of the library, for example).	SLT All staff	Clear timeline to be established following INSET training in 2022.	Each school provides an informed learning and workplace environment wherein preferences are not shown by the actions of staff or pupils.
